But, Carl, please stop.

Even in your day, these ideas made no sense.

They were not shared by all.

To you, women - all women - are by nature closer to animals. Thanks for that too.

You, of course, belong to the highest category.

You were born German.

You calculate skull sizes.

Your terms. Not mine.

Then you rank them.

So you compare what you think of as the two extreme cases: Germans and Negroes.

gii s existe ns à des de

Your views stem from pride, not science.

But, Carl, please stop.

To you, humans races are as distinct as species of great apes.
